

Sprint Report #1

Product Name: UNUS

Team Name: BIGAS UNUS

July 10, 2023

Actions to stop doing:

- Stop missing meetings
- Stop relying on partners to finish tasks
- Stop procrastinating
- More solidly coordinate workflow in conjunction

Actions to start doing:

- communicate more often
- meet to work on code together (preferably in person)

Actions to keep doing:

- Productive meetings
- Almost daily/regular standups
- Getting work done on time

Work completed/not completed:

- HTML frontend/Flask Backend
- Signup/Login page/UI primitive
- Database Integration
- Spotify/soundcloud API research
- Initial API Authentication setup testing

Work completion rate:

- All of the two user stories were completed. 23-25 hours total work estimated.
